

ORINDA SCHOOLS really hum with activity these days, and these pictures help explain why. Above are new teachers at both schools standing with Superintendent Joseph L. Sheaff in one of the Orinda Grammar School additions being completed. Left to right are: Front row—Mrs. Marjorie Kerrigan, Orinda first grade; Mrs. Charmaine Barr, music teacher, both schools; Miss Cynthia Knox, Orinda fourth grade; James Comer, Orinda eighth grade; second row—Mrs. Ethel O'Neill, Orinda first grade; Miss Kathleen Blumberg, Glorietta second grade; Mrs. Charlotte Martinelli, Orinda fourth grade; Mrs. Jane Sheffield, Glorietta third grade; Keith Hill, Orinda fifth grade; Superintendent Sheaff; back row—Cornelius Murphy, Glorietta fifth grade; Phil Lambert, Glorietta seventh grade; Robert Richards, Glorietta eighth grade; Mrs. Dorothy Hollis, Orinda sixth grade. Not in the picture is one other new teacher, Mrs. Ramona DuBois, Orinda third grade. Below are Mrs. Mildred Parker, Glorietta second grade teacher, whose room won first prize for being the first to achieve 100 per cent membership in the Orinda Mothers Club membership drive, and three of her proud students—left to right, Suzanne Arighi, David Nelson and Robin Brown. They're looking at the miniature dog track which symbolizes the standings of the classes.

Here's What Happens when Orinda Women and Enthusiasm Get Going

During the autumn of 1948, a small group of Orinda women who play bridge for social contact each contributed the small stakes to the "kitty" and so a fund grew with which they hoped to "do something."

The "something" was vague and unsatisfying until the women, Mesdames R. S. Clough, Margaret Winters, George Vurek, H. Moller, L. L. Farrar and Ernest Spiegel, talked to Mrs. George Matey, a leader of a Brownie troop in search of "something to do."

The contact was a good one. The bridge players contributed their money, the Brownie leader offered the inspiration and members of the Brownie troops began to make Christmas stockings for the children patients at Weimar TB Sanatorium.

FROM LITTLE ACORNS

Enthusiasm grew. A large bridge party was held at the home of Mrs. George Neldam. More funds were raised; toys were contributed at cost and below by Stan Allen; an entire set of Story Book dolls was given by Rae Littlejohn; a donation was made by the 12:15 Club; publicity by the Orinda Sun brought more toys and more funds.

Enough money was raised in 1948 to send not only Christmas stockings to every child at the tuberculosis sanatorium, but to supply records and to allow rental of movies for the patients for many months.

Fired with enthusiasm from the success, the women made plans for 1949. A bridge party was held at the Spiegel home. Cub Scouts made gifts of waste paper baskets. Brownies made valentines. Hooper's chocolate Easter eggs were given and Brownie Troop 58, under the leadership of Kathleen McFarland, Mrs. Matey and her daughter, Ginny, made Easter baskets.

Again, through newspaper publicity, the efforts became community-wide. At Lafayette's Sugar Plum House hundreds of gifts were deposited. The used ones were repaired.

According to Mrs. Matey, a list of child patients at Weimar is kept up to date and each child, 10 years of age and under, has received a birthday gift in 1950.

This Christmas it is planned to present a gift to every patient up to the age of 20.

When funds allow, gifts are sent to the many adult patients at the sanatorium who are aged and indigent, and who need such little things as cigarettes, a fresh deck of playing cards, a few cents for post cards and stamps.

Mrs. Matey, 7 Las Mesas Path, is

prepared to accept funds, toys in good condition, or just plain old-fashioned help in this project.

She and her group hope to raise enough money to set their plans for Christmas 1950 well along at a bridge party on November 16.

Details of time and place will be announced shortly, according to Mrs. Matey.

Gary Celebrates Tenth Birthday

Gary Bottjer celebrated his 10th birthday last Saturday. A lunch with hamburgers and makings to fix your own was followed by a trip to Rollerland.

The following boys had a wonderful time: Bobby Summers, David Brown, Gary Beeman, Lee Wendelbow, Henry Moyland, Steve Rasmussen and Michael Gillivan.

Time Goes On — And So Does Parade of Traffic Violators in Justice Court

Persons from Lafayette headed the list of those receiving citations for illegal parking during the months of August and September, and paid \$1 fines to Judge Clifford Thomson's justice court.

Included in the list, with the date of citation given, were: Robert J. Clark, July 30; Emma H. Hoffmann, August 5; E. E. Firestone, August 21; Ethel M. Cadman, August 30 and Leonard L. Richards, September 1.

OTHER VIOLATIONS

Other residents of Lafayette who were cited for traffic code violations were:

Alma J. Dodd, violation of pedestrian right-of-way in crosswalk, fined \$5, cited August 8; Donald Bruce Miller, parked in roadway, impairing westbound traffic, no operator's license, forfeited \$10 bail, cited August 10; Mariano D. Babarven, imprudent rate of speed, injury accident, 30 in a 35 mile zone, complaint filed, forfeited \$10 bail, cited August 10; William Gordon Connell, violation of right-of-way at intersection, collision, forfeited \$10 bail, cited September 1; Silvio Anthony Lagorio, Jr., failure to stop for red light, fined \$2.50, cited September 7.

STILL MORE

Among other miscellaneous violations were those of Frank Merri-man McDonald, excessive speed, 85

Two Fire Houses To Be Built If Issue Is Okayed

Preparations for the November 21 election on the Orinda Fire District's proposed \$130,000 bond issue swept into high gear this week as perspective for necessary expansion was broadened to include early construction of two new fire houses.

Originally plans called for using only \$75,000, if the bond issue passes, for a new fire house at Moraga Highway and Orchard Road and for purchase of a Sleepy Hollow site, and later using the remaining \$55,000 for a third fire house in Sleepy Hollow. This week the board decided to use the entire \$130,000 as soon as possible for building and equipping of the two new fire houses.

INSURANCE REDUCTION

Reasons for this change in timing are that, according to the Pacific Fire Rating Bureau, completion of the entire project will result in a 19 per cent reduction of fire insurance rates, and that the future of building costs over the next several years is uncertain.

The Sleepy Hollow site, however, is still to be obtained.

Completion of the Moraga Highway-Orchard Road station alone would result in a 9 per cent reduction in rates.

Worker Rescued In Sewer Cave-In

O. C. Brown of Richmond was trapped from the chest down in a cave-in of 10-foot sewer under construction at the top of Overhill Road for the Central Contra Costa Sanitary District Wednesday.

Fellow workmen dug him clear in a half-hour. Meanwhile, the Orinda Fire Department, headed by Assistant Chief Alan Winsor, stood by with an inhalator in case of an emergency.

Brown emerged from the cave-in with no more than slight bruises. He was taken immediately to a Concord hospital for a physical checkup.

Cold-Hot-Rain—Very Confusing!

No one should take a chance on gambling on the weather in Orinda these days. Not when the 44 degree low on October 12 rose to a maximum temperature of 95 degrees the next day!

These were the cold and hot spots during the week from October 11 through October 17.

The .03 of an inch rainfall gauged October 16 and the .10 of an inch drifting down the 17th have brought the rainfall reading since July 1, beginning of the weather year, to the munificent total of .27 inches.

Enjoy it while you may, there'll be a day!

Chamber Benefit Dance Changed To November 10

The date for the Orinda Chamber of Commerce community dance has been changed to November 10! Originally set for next Friday at the new Orinda postoffice quarters, which were expected to be completed enough for the affair by that date, delays in construction have forced postponement until this latter date.

Letters explaining the community project of placing a shelter at the Crossroads for those waiting for bus transportation as incentive for the dance have been mailed to all Orinda residents. Two tickets to the dance are enclosed in each envelope.

Residents who will not be able to come to the November 10 affair are reminded that their donation of the price of the tickets to contribute to the drive for a bus shelter will be welcomed by the sponsoring Orinda Chamber of Commerce.

Plans for the changed date of the community dance and program and final arrangements for mailing the Orinda Business Directory were the main topics discussed at the Orinda Chamber of Commerce luncheon session yesterday noon.

Copies of the directory, which contains a listing of business and professional firms in the area, will be sent to every resident in Orinda, the chamber advised.

Ernest Pohl was formally seated as a member of the Orinda Chamber of Commerce board of directors at this session, taking the place of Vance Reynolds, who has moved away from the area.

Lafayette Woman, Orinda Man Hurt

A Lafayette woman and an Orinda man suffered injuries in automobile collisions Tuesday.

Mrs. Geraldine Ballachey, 44, of Lafayette sustained a fractured jaw and a fractured left arm when the car she was driving collided in Oakland with an auto driven by Milling Miles, 24, of Oakland, near the Broadway Tunnel Tuesday night.

Four other persons were also injured in the crash—Miles, who received minor injuries, and his three passengers, all of Oakland: Harold Tucker, 24, fractures of both legs; Ray Mallory, 26, cuts and bruises; Henry Craig, 26, dislocated hip.

Hans Altorfer of 42 Hillcrest Drive, Orinda, received minor injuries when the car in which he was a passenger sideswiped the rear of another car on Moraga Highway about a mile south of Orinda Crossroads at 5:40 p.m. Tuesday, according to the California Highway Patrol. Both cars were traveling south.

The auto in which Altorfer was riding was driven by Roy Joynes, 37, of Canyon. The other car was driven by Marian Carroll of Mosaga.

Whom Do We Call To Do The Work?

Whom does Mr. and Mrs. Orinda call when they want action to repair some of the streets?

Whom do they and their neighbors call when they want the county to take over maintenance of a street?

Whom do they call when the manhole covers rattle on our highways?

Who is asked to investigate why electric rates are higher here than in neighboring communities?

Whom does Orinda turn to in getting help to solve the traffic jams at the Crossroads?

Who is asked to see that trash and garbage are cleaned up along the highway?

Who is asked to work on our many problems relating to parking, zoning, transportation, communications, government, policing, civilian defense, community center, bond issues—and many, many other problems?

THE ANSWER: The ORINDA ASSOCIATION, of course. And who is the Orinda Association?

The Orinda Association is you, your family, your neighbors—everybody in Orinda.

True, the work is done by members of the Civic Affairs Committee (consisting of a representative from every organization) and the directors of the Association. Without compensation, these people spend many hours each month on Orinda "business." They eagerly welcome the participation of any Orindan. They need help at all times.

Right now the Orinda Association needs you and your family just as much as you need the Orinda Association.

Soon it will be time to sign your family as members for 1951—at only \$2 for the year for the family.

This small sum will finance activities next year and will help pay the taxes and sewer assessments on the community center.

Where else can you get so much for so little?

Remember: Invest in Orinda November 9 to 19, when the membership drive will be held.

El Toyonal Again Without School Bus

El Toyonal once again became fighting words this week.

Residents of the El Toyonal area were "fighting mad"—for after a little over a month of operation the Orinda School bus route from Loma Vista to Upper El Toyonal was suddenly discontinued Tuesday.

Dangerous road conditions along the near-mile stretch were given as the reason by Mickey Dukich, supervisor of transportation for the Acalanes High School District.

While agreeing that some of the conditions were not the best, residents were quick to point out the school buses travel over the Charles Hill section, which they described as much worse.

What particularly irked them was the fact that the start of El Toyonal bus service at the beginning of this school year came after a long bitter struggle for such service.

Civic Affairs Group Discusses Plans for Drive

In one of its best attended meetings in several months, the Civic Affairs Committee of the Orinda Association met Monday night at Orinda Grammar School.

With Chairman Bob Clough presiding, the 17 committee members present (there were also two visitors there) took the following actions:

1.—Mapped detailed plans for the Orinda Association's 10-day membership drive, "kickoff" for which will be a community meeting November 9 highlighting the subject of disaster relief. (See editorial.)

2.—Decided to ask association directors to name a committee soon to meet with a committee from the San Francisco truck owners' association in an effort to relieve early-morning congestion on Mt. Diablo Boulevard because of big trucks.

3.—Discussed plans for erection of signs on roads not in the county system. Clough reported that Secretary Roberta Spiegel of the association board has written Supervisor Jack Cummings asking the price of county-standard signs.

4.—Heard reports on dropping of El Toyonal from the Orinda school bus run and decided to urge the association board to have its secretary get in touch with Cummings promptly. (See separate story.)

FIRE BONDS

5.—Heard Zach Montgomery report on developments regarding the November 21 fire district's \$130,000 bond election. (See separate story.)

6.—Recommended that the directors cooperate with the Lafayette Improvement Association on plans for another tunnel and widening of the highway. Horace Breed agreed to check with the Lafayette Improvement Association on its plans and to report back.

MEMBERSHIP DRIVE

After the meeting, the Civic Affairs Committee's planning committee for the membership drive, headed by Mrs. Helen Vurek, held a session.

on Monday the students who live beyond the El Toyonal-Loma Vista intersection—there are reported to be about 27 of them—came home from school with a mimeographed note informing their parents that, starting Tuesday, the service beyond Loma Vista was being discontinued.

STARTED LAST MONTH

Finally the road was considered safe, and bus service was instituted last month, under the new system whereby the Orinda School District, like the Lafayette School District, contracts with the high school district for school bus service.

Last Monday the students who

live beyond the El Toyonal-Loma Vista intersection—there are reported to be about 27 of them—came home from school with a mimeographed note informing their parents that, starting Tuesday, the service beyond Loma Vista was being discontinued.

On Tuesday there were no school buses serving the road in question. Also on Tuesday morning, it rained. And, according to Mrs. Clarence Wood of 13 Las Piedras, at least 10 youngsters of the area, including two of her own, were kept home from school that day.

Mrs. Wood, whose home is eight-tenths of a mile from the Loma Vista intersection, said she had had pneumonia twice during the past year and was under doctor's orders not to venture out in rainy weather.

THE RAINS CAME

Another development, however, occurred Tuesday which gave some hope of fairly early resumption of the bus service.

Dukich, Ritchie Smith, representative of the Orinda School Board on the three-district Joint Transportation Committee; Orinda Schools Superintendent Joseph L. Sheaff, President M. W. Loveland of the Orinda Highlands Association and Dr. J. P. McKee of the same organization went on a ride over the road. Loveland declared the residents would repair the bad spots, and Dukich promised that when that was done bus service would be resumed.

COUNTY ROAD

But the people of the area were not content with such action alone. They were also starting the ball rolling for renewed pressure on the county to get the road in suitable shape once and for all. The road is a county road.

Everybody concerned agreed this week that school bus service is a necessity for the area. The key question, however, was safety.

"It would be terrible if a bus filled with kids landed in the bottom of a gulley some day," Edgar Stewart, Orinda School Board member, commented. "Everything else is secondary to that consideration."

Stewart's remark was made at Monday night's meeting of the Orinda Association's Civic Affairs Committee at Orinda Grammar School, after Loveland and Frank A. Brush, who is the Orinda Highlands Association representative on the committee, had protested the "arbitrary" removal of bus service. Present with them was Dr. McKee.

"We're left stranded," Brush stated.

Loveland said that on Friday, October 6, he had received a letter from Sheaff in which Sheaff stated he'd like to meet with representatives of the area. Loveland talked with Sheaff by phone about the road situation.

"A local land owner had narrowed the road and made a bad fill-in," he told the Civic Affairs Committee. "Also, there are some culverts which protrude into the road."

"ARBITRARY PRACTICE"

"If necessary, we'll fix it ourselves. What we object to is the way the bus service was cut off without any prior notice. If there had been a public hearing, it would seem more reasonable. We'd like to have the Orinda Association protest with us on this rather arbitrary practice."

On motion of Zach Montgomery, the Civic Affairs Committee recommended that the association's board, which meets next Monday night, have its secretary promptly phone Supervisor Jack Cummings about the curtailment and the

Hi, Prof. Soss! You're Man Who Knows No Fear

By COACH ERWIN MATTSON
It's that time of the week again — to sharpen the pencil and pick the gridiron winners come the weekend of pigskin sport.

Last week the picks were hot, as Wisconsin took Iowa and Purdue dropped one to Miami, while Northwestern outscored Minnesota — all of which were in the upset class.

MISSUS ON ARMY

I certainly missed on Army, and the Dons were dropped by Pittsburgh Pirates. But this is another week and here go some real good ones selected by ol' Professor Soss Opple.

Purdue drops another, to Iowa, while Southern Methodist enhances its national rating, with Rice the victim.

ROSE BOWL CONTENDER

Ohio State proves a Midwest Rose Bowl contender at Minnesota's expense.

Stanford over U.C.L.A. — too much speed on the Indian squad, whose real test comes from Washington, U.S.C. and Cal.

IT'S ST. MARY'S

Oregon wins one at St. Mary's expense, according to popular pick — but it's a long shot and it's St. Mary's, 14-13!

Santa Clara has a breather in broken-down Nevada.

GOOD OL' TENNESSEE

Tennessee has a toughie in Alabama, but wins.

Mississippi rolls on and over a stubborn Tulane.

U.S.C. wins going away against Navy.

UPSET BY SAN JOSE

San Jose upset U.S.F., which has a good but not top team.

Indiana to rise up, but not quite enough to take Notre Dame, so the Irish register a win.

MIAMI OVER BOSTON

Miami feels good and takes Boston University.

California lets loose with her first eleven long enough to win — Oregon State the victim.

FAVORS WASHINGTON

Washington comes through to defeat Illinois. Odell has been fortunate in that he has had few injuries to date. Washington is Cal's strongest contender for Rose Bowl

Would Those Good Old Bonfire Rallies Help School Spirit Burn More Keenly?

By COACH ERWIN MATTSON

I NOTICED where a county sportswriter recently advocated that Alhambra High of Martinez hold bonfire rallies to stimulate school and team spirit.

The thing that he failed to take into account was that there is a local league ruling which specifically prohibits bonfire rallies.

The logic behind the rule is that such affairs would tempt the students of another school to set off the fire ahead of schedule, and trouble might arise as a result.

Somehow I can't entirely agree with the ruling, as I remember some excellent rallies held in the light of a bonfire.

IN MANY WAYS student spirit is not as high as it used to be — generally speaking.

Larger schools and an increasing number of outside interests make it more difficult to develop school spirit.

A great deal depends on the leadership of working and capable yell leaders.

Acalanes is fortunate this year in having a group of leaders who have put a great deal of enthusiasm and good old plain hard work and planning into their yell leading chores.

IT MIGHT BE A GOOD IDEA to have one game a year when a bonfire rally could be held.

Such affairs tend to weld a student body together and build up tradition.

Loyalty and a feeling of being one with a common interest is an important factor to individuals and the group as a whole.

Hard-Fighting Dons Drop 2 to Pirates, Varsity Score, 40-6—J.V. Tally, 33-0

The Acalanes Dons dropped two gridiron contests over the weekend

honor.

In the high school league, Pittsburg draws a bye, due to suspended relations with Crockett.

Alhambra loses to Antioch, due to lack of speed, while Diablo appears to have one of its better elevens, making Acalanes the victim tonight.

as the Pittsburg Pirates ran and passed to a 40-6 varsity win and trimmed the Don J.V. club 33-0.

The J.V. tilt was a Thursday afternoon affair and saw Acalanes dominate the game for the first quarter as they came out fighting on the Acalanes turf.

SHORT-WINDED

The spurt was short-winded, however, as the Pirates dominated play from then on in building up an 18-0 half-time margin and going on for a 33-0 win.

Despite the one-sided score, there were a few bright spots.

Ray Williamson, frosh tackle, and Bill Oslin, frosh end, showed to advantage on defense, as did Mike Klement, who did a first-rate job of tackling.

Howard Andrews showed spots of good running, as did Jack Runkle.

Varsity Game

On Friday night the Don varsity traveled to Pittsburg, where Coach Tony Knap put a fine set of running backs on display.

Joe Arenival proved to be outstanding in broken field running, while Right Half Teddy Gargas was not far behind in the swivel hip department.

Quarterback Harry Dillon showed why he was chosen All-County last year, as he did a top job and put on an aerial display.

Joie Pearson was the top runner for the Dons, scooting 35 yards on one play and 30 yards on another.

The Dons' lone score came in the second quarter, when Eddie Greub crashed over from one yard out after a 68-yard drive.

Darrell Crossman was one of the better players; he snagged some well-thrown passes, one of which was good for 30 yards.

GOOD DEFENSE PLAY

Gary De Angelis was outstanding on defense, as was Buzz Williams. Eric Murray shone to advantage as a linebacker, as did Eddie Greub.

Ken Green showed promise as a thrower and appears to be slated for the starting position this Friday night, when the Dons go into their second league game under the lights of Acalanes Memorial Field, against Diablo.

Dons' Big Game Tonight—vs. Devils!

The Acalanes Dons go into their second league game of the 1950 season tonight with the Diablo Devils as the opposition. The game is set for 8 p.m. under the lights of Acalanes Memorial Field.

On the basis of play to date Diablo reigns a favorite, particularly

in view of the fact that they grand-slammed Alhambra in their league opener 34-6, while the Dons fell before the Pitt Pirates 40-6.

HEAVY DIABLO TEAM

Diablo boasts a heavy team with a host of veterans.

They have a fast, experienced backfield headed by Tommy Kramer, quarterback; halfbacks Phil Viscara and Milt Honea, and Paul Johnson at full. All are seniors.

DON BACKFIELD

In opposition the Dons present Ken Green, a senior, at the Q.B. spot, with Joie Pearson, another senior, at left half. Dick Fey, a

junior, takes over at right half, and junior Eddie Greub rounds out the backfield at fullback.

The line finds Diablo with a load of veterans, while the Dons will present a new lineup on the basis of last week's game.

PERPETUAL TROPHY

Added incentive for a win is present in the form of a perpetual trophy purchased by the student body of both schools last year.

The 1949 game ended in a 6-6 tie and found each school with the trophy on display for a semester.

INSCRIBED ON PLATE

Each year the score is to be inscribed on a plate and the winning school is to maintain possession until the following year.

The game in many respects is the big game of the year and, as at all Big Games, anything can happen.

UNDERDOG

The Dons are definitely in the underdog role.

Both coaches will open their bags of tricks for this one, as Diablo smells a pennant and the Dons are desperately seeking their first league win.

St. Mary's, Cal Frosh Grid Game This Afternoon

How St. Mary's and California football teams will fare in forthcoming seasons will be partly indicated this afternoon when freshman teams of the two schools meet on the St. Mary's turf at 2:30.

The Bear frosh, freely sprinkled with ex-prep stars from throughout the state, will be shooting for their first win this year, having lost a close 28-20 decision to the Southern California freshmen last week in Los Angeles.

The Galets, victorious by a 54-0 count in their first start against a weak San Francisco State junior varsity team, will rely mostly on the passing of John McCool.

J.C. Stoneman Tangle Tomorrow

The Contra Costa Junior College West Campus football eleven, fresh from an 18-6 win over the San Francisco State J.V.'s, engages Camp Stoneman tomorrow night at Richmond High School Stadium. Game time is at 8 p.m.

In defeating the J.V.'s, the Junior College made full use of two hard-running backs who had seen little previous action, Mel Toponce and Jack Reed.

New Ceramics Classes Start

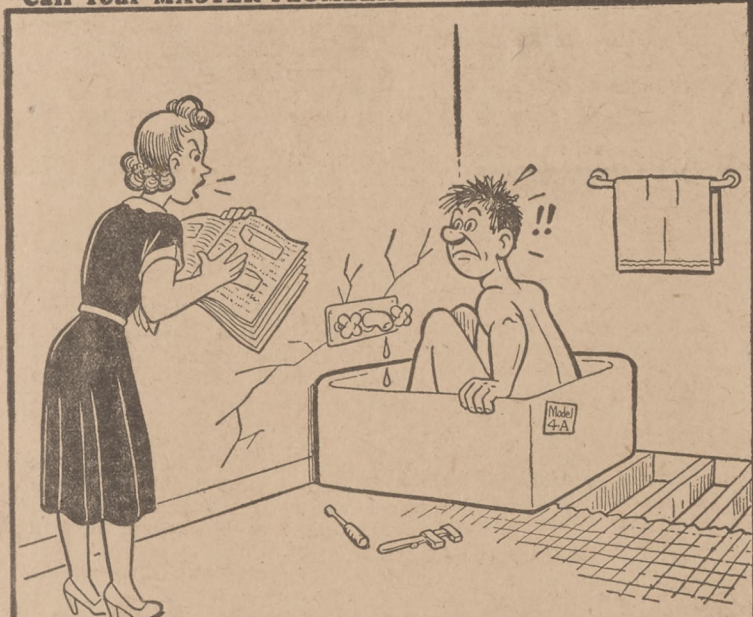

The ever-increasing interest in "ceramics for everybody" accounts for the new schedules of classes in the art instituted by the Diablo Art Association. Starting this week, the ceramics section of the association is holding semi-monthly sessions for anybody interested in learning to pot.

The classes are conducted by Eleanor Condon, whose pottery studio is in Saranap. Mrs. Condon has scheduled one group to meet every first and third Monday of the month at 8 p.m., and the other group for every second and fourth Monday at 8 p.m.

AT PRUDENTIAL DINNER

Edgar Larsen, who represents Prudential Insurance Company here, attended a dinner in Alameda last Friday, in observance of the company's 75th anniversary.

Alone for the first time in a city...and no one to meet her. Then teen-age Jane, nearly in tears, saw a telephone.

THE DAY JANE DAWSON NEEDED A FRIEND

(And found Telephone Operator 11)

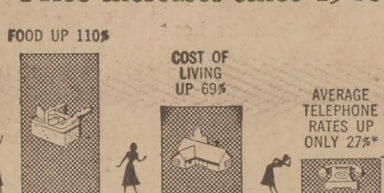

1. One of the first calls Operator 11 handled that quiet Sunday was from a public telephone in Union Station. "I missed my train connection and I've just got to reach my brother Mike," said a small voice. "He's with the Navy in Port City but I don't know how to call him." Operator 11 had heard such voices before. And as she said, "We'll find him," she was ringing an operator forty miles away.

3. An unusual story? Not at all. We get many letters telling how our operators do their best to get the call through...no matter what. And we hear good reports about our linemen, installers, service representatives and others who meet the public directly. We like to receive these letters. For they tell us that you recognize "the spirit of service"...so much a part of telephone work...so important in making your telephone ever more valuable to you.

2. Didn't take Mike long to reach his sister after he'd been paged at the Port City station where he was nervously waiting. After he'd picked her up, Jane said, "That operator was so understanding. I don't know what I would have done." And later on her mother thanked Operator 11 in a letter to us which ended...and I'd like to pin a medal on her. I'll never meet that operator. But she is our friend."

Awards Presented At Annual Dinner Of Camera Club

Contra Costa Camera Club had its annual dinner meeting and awards presentation at the Willows last week. The meeting was well attended by an enthusiastic group of amateur and professional photographers. Dr. Irving Ellis of Piedmont, a salon exhibitor, was the invited judge for the October 10 event.

For "the print of the year" Jackson Davis of the advanced division received the medal donated by the Orinda Camera Shop. Second in this competition was Dr. Howard Allen; third, Challiss Gore; fourth, Dr. A. H. Beede; fifth, Challiss Gore; honorable mention Dr. Beede. In the amateur division, first place went to Mrs. Fred Confer, second to Dr. Howard Allen, third to Alvin Lindsey, fourth to Dr. Howard Flinders, fifth to Jackson Davis.

Trophies for the most points accumulated during the year went to Guy Spencer of the advanced division and Dr. Howard Allen of the amateur division. The trophy is a representation of a photographer and his camera in bronze and is as much coveted by these picture fans as is the "Oscar" by movie actors.

Dramateurs Step Up Rehearsals as 'Guest in House' Dates Get Nearer

Enthusiasm of Orinda Dramateurs for their new play, "Guest in the House," is mounting with approach of production nights, November 3 and 4.

The cast has been rehearsing diligently; the entire group membership has been concentrating on production of another "hit" to chalk up with its many past successes.

FROM MILLS COLLEGE

Mary Nelson will have a feminine lead role, that of Ann Proctor, in "Guest in the House." Mary brings to this part the experience gained in majoring in dramatics at Mills College, where she was cast for roles in many of the Shakespearean drama presentations. Included in her past drama work was a role in "Maedchen in Uniform," which played at the Geary Theater for three nights.

Mary joined the Orinda Dramateurs last year; you saw her in "Two Blind Mice."

Officers elected for the year ending October, 1951, are President Bud Dippo, Vice-President J. E. Culver; Secretary-Treasurer Alvin Lindsey.

Next meeting will be at the Orinda Community Church next Tuesday night.

Frank Wright of the clever stage manner will carry the role of Doug, Ann Proctor's husband, in the forthcoming production.

An English major at Dartmouth, Frank had never done drama till he became active with the local group last year. You'll remember him in the hit play, "John Loves Mary," as well as this latest vehicle.

AND HERE'S 'GUEST'

Who is the "Guest in the House"? Eighteen-year-old Tania Wood, who is a devotee of Little Theater work and intends to enter College of the Pacific next fall to study dramatics. She is hoping to get an RADA scholarship to further her ambitions in the field of drama.

A member of the dramatics group at Oakland Technical High School, she had major parts in school plays, including the role of "Ophelia" in "Hamlet." Besides, parts in "Life With Father," "Out of the Frying Pan" and many other one-act plays have added to her stage experience.

11-YEAR-OLD

Junior member of the Proctor clan, Lee, will be played by 11-year-old Judy Miner, who will be remembered for her role in the Dramateurs' past presentation, "January Thaw."

Judy is a straight A student in Orinda School's seventh grade, although she says art is her favorite subject. Her hobby is riding her horse, which, although not dramatically inclined, has been named Sergeant Pinkerton.

These, with an equally talented array of co-players, are among those who will make "Guest in the House" a must on your entertainment attendance program.

JC Gives Forum On World Events

A World Affairs Forum, presenting significant phases of world problems as they affect America today, is being offered by Contra Costa Junior College in a series of lectures this fall, it is announced today by Leland Medsker, East Campus director. The lectures are free to the general public.

First meeting was held Tuesday night in the auditorium of the Martinez Junior High School. Topic was "Power Politics in the Far East," with Laurence Sears, professor of American philosophy and history at Mills College, as the speaker.

Other lectures will be: "How Long Will Europe Need Our Help?" by Frederick A. Breier, October 31, 8 p.m., Martinez Junior High School; "Germany's Recovery—Threat or Boon?" by Dr. Carl Landauer, November 14, 8 p.m., Mt. Diablo High School; "Communism in Asia," by Dr. Harold H. Fisher, November 28, 8 p.m., Mt. Diablo High School.

The lectures are being presented in cooperation with the World Affairs Council of Northern California. Members of the American Association of University Women, Martinez, Concord and Antioch chapters, have served as an advisory committee in establishing the forum.

SILVA ON BOARD

California Fish and Game Commissioner William J. Silva of Modesto was elected to the executive board of the International Association of Game, Fish and Conservation Commissioners at the annual Association meeting in Memphis, Tennessee.

List Candidates For Art Group's Election Tuesday

Candidates in the Diablo Art Association election next Tuesday are: President, Guernsey Ford, Frank Smith; vice president, Flora Hook, Alice Coleman; executive secretary, Eleanor Condon, Joseph Butler; secretary-treasurer, Mildred Busby, Doris Trahan; membership chairman, Janice Heitz, Anne Abel; program chairman, Ben Davis; publicity chairman, Lillian Lytle.

As an added attraction at the general meeting Tuesday, to be held in the Coast Counties Gas building on Bonanza Street, Walnut Creek, Mrs. Peter Howard will discuss "The Development of Children's Art."

Mrs. Howard, vice president of the Outdoor Art Shows Inc. and a member of D.A.A., is also active as an instructor in the Cooperative Art Association.

CHRISTIAN SCIENCE CHURCH

"Probation after Death" is the subject of the Lesson-Sermon to be read in all Christian Science churches on Sunday, October 22. The Golden Text is taken from James: "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him" (1:12).

Included in other citations from the Bible and from the Christian Science textbook "Science and Health with Key from the Scriptures" by Mary Baker Eddy, comprising the sermon, will be the following:

I Corinthians 15:55-57: "O death, where is thy sting? O grave, where is thy victory? The sting of death is sin; and the strength of sin is the law. But thanks be to God, which giveth us the victory through our Lord Jesus Christ."

Science and Health: "A demonstration of the facts of Soul in Jesus' way resolves the dark visions of material sense into harmony and immortality. Man's privilege at this supreme moment is to prove the words of our Master: 'If a man keep my saying, he shall never see death' (p. 428).

More Than 100 Participate in First Episcopal Church Services in Orinda

Over 100 residents of Orinda area gathered in the Scout Hut on Orinda Park Pool property Sunday morning to take part in the first Episcopal Church services held in Orinda.

The Rev. John Greene chose "What Is a Church?" for his first sermon before the new congregation, delivered in a building that had been literally transformed with wall hangings, flowers and all the accoutrements of the church for this auspicious occasion. Mrs. William Sparling and Mrs. Paul Slatery were credited with arranging the appointments.

INSPIRING

This initial service was termed especially inspiring by the many Episcopalians in Orinda who have been working toward its possibility, because of the enthusiasm evidenced through the attendance of so many people.

After the services a coffee hour was enjoyed, at which members of the congregation became acquainted with one another and with the new pastor, Mrs. H. S. Doane, assisted by a bevy of helpers, served as hostess at this get-acquainted hour. It is anticipated that this pleasant feature following the regular church services will be a regular event after facilities for preparation have been completed.

SERVICE THIS SUNDAY

All interested residents are invited to attend the Episcopal services to be held at 11 a.m. Sunday morning at this same location, Scout hut on the Orinda Park Pool property.

Plans are being completed for the potluck supper to be held for adult members of the congregation next Thursday, 7 p.m., at the home of Mr. and Mrs. William Sparling, 9 Highland Court. Reservations for the affair may be made by calling Mrs. Robert Moorehead.

of the Northern California Episcopal Diocese, will be present to meet the congregation and speak on future plans of the Orinda Episcopal Church.

Hospitality committee members are Mesdames S. A. Ballard, J. A. Brown, Walter Christie, H. S. Doane, Clinton Easterbrook, T. E. Haley and Paul Slatery.

PLANS OF COMMITTEE

Plans of the committee include later affairs especially for teenagers and younger Sunday School children, with next week's potluck dinner arranged for the adult congregation.

It has been suggested that in order to ease the parking problem, persons attending the supper may park their cars on Overhill Drive and transportation will be provided to take people to the Sparling home, according to Mrs. James Brown, publicity chairman for the arrangements group.

OPEN EVENINGS TILL 9 P.M.

Kids' Art Center Classes Started

Orinda Children's Art Center classes opened for the year Wednesday, and are to be held at the Glorietta School every Wednesday at 3:30 p.m. Enrollment is limited to 40 children who have been selected from the Orinda schools.

Classes are kept small to permit personally supervised development of the individual student's work. Semi-annual exhibits of students' work will be held, as last year.

Instructors will be the same as last year—Mrs. Jack Fraser and Mrs. Edward Buttler. Orindans interested in furthering creative talent of young art students are invited to become sponsors. For further information, call Mrs. Kenneth St. Clair.

Names of pupils and new sponsors will be announced next week.

UN Prayers at Sunday Service

Prayers for the United Nations and the reading of a historic message issued by the Federal Council of Churches will mark observance of World Order Day Sunday at Orinda Community Church service of worship at 11 a.m.

Established in connection with the founding of the U.N. five years ago in San Francisco, World Order Day is a united Protestant support of the organization which, the churches believe, "provides this generation with an opportunity to build the foundations of a more durable peace." In connection with the observance the Rev. Fred Morrow will speak briefly on the subject "Whose World Order?"

The choir, directed by Margaret Popovich, will assist, with Dorothy Turk at the organ. At 9:30 there are departmental worship and instruction groups for children and young people. A Bible class for adults is held on Wednesday morning at 10 o'clock. High school young people hold their fellowship meeting for worship, discussion and play at 7 Sunday evening, with Ray Fowler and Fred and Mildred Twining as adult counsellors.

Funds Canvass Moves Steadily

Canvass of the community in the interests of the Community Church building program is going forward slowly but steadily, with indications of strong support from all parts of Orinda, according to reports coming in daily to Joseph R. Creighton, fund chairman.

With the approach of the rainy season there is added urgency in the requirement of a total cash sum of \$25,000 in order to begin building operations, he said. Contractors are prepared to break ground as soon as the sum is raised.

Sixty Orindans are assisting in the canvass.

Carrier Opening At Orinda P.O.

The Orinda Postoffice has an opening for a substitute city carrier to be on call when regular carriers are on sick leave or heavy mail makes it necessary to use a few hours a week substitute help on the routes.

Pay is \$1.31 per hour plus generous car allowance. Veteran's preference prevails, but applications are being solicited from retired persons or women who desire to work part time. A car in good working condition is required.

Additional work at Christmas time can be expected. Also, there will be an opportunity to serve as a Saturday substitute carrier after April 1, 1951.

Those interested are asked to contact Postmaster Laura G. Mallary.

Guild Section 4 Meets Wednesday

Section 4 of the Women's Guild will meet next Wednesday evening at Orinda Community Church. Co-hostesses will be Mrs. A. R. Meyer and Mrs. B. B. Seim. Mrs. Fred Twining will lead the devotions.

Mrs. Lance Barden will review the humorous book, "In the Pink," by Coleman. Busy fingers will work on the almost completed articles for the November bazaar.

12-15 Club Card Party on Tuesday

The 12-15 Club met last week at the home of Mrs. Robert Raskob. Members had a busy time sewing for the Booth Memorial Hospital and the Therapy Center, and in completing plans for the card party next Tuesday at the home of Mrs. Leo Alexander, 50 Via Hermosa.

Assisting Mrs. Alexander as co-hostesses will be Mesdames Challiss Gore, Harry Doten, Hazel Frolich and John Lax. Reservations can be made by phoning Mrs. K. Anderson.

Mrs. Kimball Assists On Reunion Committee

Mrs. Stewart Kimball is vice-chairman of the reunion of University of California's Class of '35 November 24 at Hotel Claremont, the night before the big game with Stanford at Berkeley.

Chairman of the committee, which has some 50 members, is Joe Smith, former mayor of Oakland.

Seafarers Hallowe'en Party Set for Oct. 27

The Seafarers will have a Hallowe'en party October 27 at the home of Mr. and Mrs. Walter Nicklas, 200 Moraga Highway. Members are urged to bring a guest who may become a new member.

Seims Vacation At Santa Barbara

Mr. and Mrs. B. B. Seim are having a long vacation at Santa Barbara, visiting relatives and old friends and the scenes of their own early marriage days. Included also was a week spent at Morro Bay in a trailer loaned them by their sister.

Mrs. George Hickock Visited by Brother

Mrs. George Hickock recently enjoyed the visit of her brother, Dr. Dinham, from Duluth, Minn., his wife and two daughters, Kathleen and Sarah.

Chief Wyatt and Wife Return From Vacation

Fire Chief H. E. Wyatt and Mrs. Wyatt recently returned from a 10-day motor trip to British Columbia. Beautiful weather enhanced their sight-seeing.

Jack Lee Family Moves to New Home

Mr. and Mrs. Jack Lee and their two children, Sandra Lynett and Jack, Jr., have recently moved into their new home at 18 Alta Vista.

Orinda Women Map Therapy Center Aid

The recently organized Orinda Chapter of the Mt. Diablo Child Therapy Center gave a tea Wednesday afternoon of last week at the home of Mrs. George Neldam on La Espiral.

Assisting Mrs. Neldam as co-hostesses and in introducing guests to one another were Mrs. Frank Hight and Mrs. Ida Zamloch, representing the Orinda Community Church Guilds; Mrs. George Klement, representing Santa Maria Church; Mrs. Robert Bigler, the Orinda Grammar School; Mrs. Frank Brush, the Nursery School, and Mrs. A. Keene Pettengill, Acalanes High School. Pouring at the tea table were Mrs. William Mordy and Mrs. M. M. Grimes.

OVER 100 PRESENT

By the interest shown throughout the program by the more than 100 women present, a large percentage of whom became paid members and signed a scroll as charter members, it was very evident that Orinda women have taken to their hearts this project, the Therapy Center at Lafayette.

At the beginning of the program Mrs. Peg Winters entertained the group with two piano selections, Etude in C Minor by Chopin and Sumare by Milhaud, which were beautifully executed.

NEED FOR FUNDS

Mrs. Hight welcomed the guests

and introduced Mrs. Zamloch, who, for a long time has been a volunteer worker for the Therapy Center. She told of the great need of funds for taking care of the rapid growth of the institution and explained that the two groups of the Orinda Chapter would have as their project the raising of funds and the supplying of volunteers for help in exercising the patients and in providing smocks for them and transportation.

One of the groups will meet in the afternoon and the other in the evening, and each will select its officers November 8 and choose as its name the name of a bird.

HELP TO PATIENTS

Mrs. Zamloch told most dramatically of the instances she had seen of the almost miraculous success of the physical therapist, Mrs. Mary Doyle, in helping patients.

For example, a 50-year-old woman cripple took her first three steps in 38 years; a young mother slowly regained her ability to walk and talk; a young man patient, once moody and helpless, is now joyfully learning to use his limbs.

She said the very atmosphere of the place was happy and hopeful.

She introduced Mrs. Doyle, who told how the center had its beginning on January 18 and at first was open only two days a week. Gradually the days increased to six a

week. More patients could be helped, she said, if the Center could have larger quarters.

Mrs. Zamloch then introduced Miss Green, the center's financial administrator, who said the sources of the center's income were in part the Polio Foundation, industrial accident insurance, county funds, contributions given as memorials and the small fees some patients were able to pay.

ONLY SIX AT A TIME

In the present quarters only six patients can be treated at a time, and only about 65 during the month.

So larger quarters, more modern equipment, an increased staff and more volunteer workers are the goal the Mt. Diablo Therapy Center Orinda Chapter, will strive to help reach.

... and we had to buck
a lot of competition

But it was healthy competition. We had to work hard and plan carefully. But it was work with a promise of reward.

We like to think that the friends we've made and the success we've had are typical examples of the opportunity America offers the man with an idea and a determination to build and manage his own business.

We wouldn't trade places with a small businessman of any other Nation for anything.

We think we can do a better job running our own business than the Government could. We think the doctors and nurses and scientists can do a better job managing the medical care of the nation than the Government could.

We believe that American freedom is worth working and fighting for at home and abroad.

Den Awards Made at Pack 32's Meeting

Orinda Cub Pack 32 embarked upon a busy year with its first pack meeting held at Orinda School last Friday night, under the direction of Cubmaster Rudy Rasmussen.

Committeemen and den mothers for the new term were introduced, as were new cubs who will receive their beginners' Bobcat pins at the November pack meeting. Parents of the prospective cubs were also introduced, and those boys who had transferred in from other packs were welcomed.

SPECIAL AWARDS

Special awards were made as follows: Den 7, attendance; Den 4, inspection; Den 3, antlers-pants.

Cubmaster Rasmussen introduced a new cub prayer which he read as all pack members stood at attention in a large circle.

ATHLETIC PROGRAM

Tomorrow the athletic program, to be under the direction of Joe Navone, will get under way at Orinda School grounds at 9:30 a.m. A touch football game between the dens is planned. Cubs are asked to bring their lunches.

At 12:30, a bus will leave the school grounds to take pack members to the Oregon-California game at Berkeley stadium. All boys will be returned to the Orinda School grounds by bus after the game.

Pack members must wear their uniforms, according to James Brown, publicity chairman.

DEN ACTIVITIES

Included in recent den activities were:

Den 3, which has been meeting at the home of Den Mother Mrs. S. Groennings, Mrs. Stuart Davis assisting, has planned to make an Indian exhibit. The members have adopted a boy at Weimar Sanatorium for a Thanksgiving project and will send him remembrances.

At a recent session, Bill Worden of Worden's Travel Agency instructed the boys on traveling techniques, including how to read time tables.

Den 7, which meets at the home

of Mrs. Fred King, recently enjoyed a picnic at Tilden Park, where they prepared food in the cookers they had made.

Mrs. W. H. Thurston, den mother of this group, is assisted by Mrs. J. Johns.

Den 10 celebrated its first meeting of the term with an outdoor barbecue at the home of Mrs. Joseph Downs. Mrs. William Branch is den mother and Richard Haskell is den chief.

Seek Comic Books For Stoneman GI's

American Red Cross has requested Brownie Scouts and Girl Scouts to collect comic books, in good condition, for the soldiers at Camp Stoneman.

When your troop collection is complete please call Mrs. Vernon Axelson or Mrs. Robert Elder.

Mare Island Naval Shipyard is urgently in need of qualified professional engineers in the fields of naval architecture, electrical, electronics, mechanical and marine engineering. Interested applicants should write or report in person to Mare Island Naval Shipyard.

Bible Quiz Held At Guild Session

Section 1 of the Women's Guild had an interesting meeting Thursday afternoon of last week at the home of Mrs. E. H. Fisher on Orinda Highway. Co-hostesses were Mrs. C. Pimentel and Mrs. B. O. Wilson.

Rev. Fred Morrow conducted a quiz program on the Bible, and explained how Bible commentaries, dictionaries and concordances were necessary in translating the King James Bible translation into present-day meaning.

Mrs. Jesse McMillan read letters of thanks for packages sent by the Guild through her to needy fami-

lies in Palestine, Germany and Finland. Mrs. Lance Barden, Mrs. E. H. Fisher and Mrs. Dwight Fisher were elected to the nominating committee.

Because of the bazaar, it was decided to have no meeting in November. The December meeting will be at the home of Mrs. William Mordy, 80 Orchard Road.

VACATIONING

Enjoying fashionable Ojai Valley Inn are Mr and Mrs. E. L. Bar-gones of 208 Camino Sobrante.

Camp Fire Girls Tour UC Grounds

The Orinda Camp Fire Girls had an interesting time.

Not long ago they had an overnight trip to Portola Park near Palo Alto. Last week, in company with their leader, Mrs. Everett Dempster, they visited the Berkeley Camp Fire office and met Miss Joyce Kenworthy.

They then went through the university grounds and up the Campanile, and spent some time in the Agricultural Building examining the fine insect collection there.

At this week's meeting they will start making their beaded head bands for their ceremonial costume.

Seven New Scouts Enter Troop 200

Scouts of Troop 200 conducted an investiture ceremony at the scout hut Thursday night of last week at which seven former cub scouts were taken into the troop.

The new scouts are Snedley Ambler, Chuck Coburn, Ben Coombs, George Harrison, Mark Jensen, Harry Noller, Jr., and James Stewart.

After members of the troop had lighted the 15 candles representing the three parts of the scout oath and the 12 points of scout law, the candidates were brought in and accepted by the assembled troop.

Each boy's mother then came forward to pin the tenderfoot badge on her son and receive from him a miniature of the same insignia.

Dan Sheldon is scoutmaster of the troop.

Clipper Club, Shipmates Hear Joseph Sheaff

The Clipper Club and its recent offspring organization, now known as "Shipmates," met in joint session last Friday at the home of Gertrude and John Ogden.

Ken Beeman as skipper of the Clippers presided and presented Joseph Sheaff, administrative head of Orinda's two grammar schools. Sheaff chose as his subject, "Fundamentals in the Teaching of Youth." Out of his experience he emphasized among other things the importance of giving children responsibilities.

A goodly number of guests were present. These were introduced by Sandy Buxton and Gertrude Ogden.

Co-hosts and hostesses for the evening were Lucy and Jim Hupp, Ruth and Wilbur Twining, Lillian and Al Styles, who assisted in serving refreshments.

Forde-O'Leary Wedding Sunday

Joseph Paul Forde, youngest son of Dr. and Mrs. John Robert Forde of 68 Davis Road, will be married Sunday to Josephine Patricia O'Leary.

The wedding will take place at St. Teresa's Church in San Francisco.

Best man will be Joe's older brother, John Robert Forde, Jr., an honor law graduate of Notre Dame of last June.

Joe is employed by Frank Olsen of Orinda Hardware.

Chowder Meeting At Roush's Home

Furthering its purpose of self-development of its members through relaxing social evenings, the "Little Man's Chowder Society" will hold its regular monthly meeting tonight at the home of George Roush, 70 Orchard Road.

Invited to the gathering are Bob Clough, John Bristow, Theodore Hedt, Lowry Wyatt and Eric Cullenward.

Roush, who is an Oakland executive; his wife, Evelyn, and their young daughter, Denise, recently moved into their newly-built home on Orchard Road.

Girls Repairing Toys for Xmas

Repairing toys for the children of Weimar Sanatorium's Christmas is the worthy project chosen by Orinda's sixth grade Girl Scout troop, according to their leader, Mrs. L. B. Boyer.

The girls are also working for their outdoor cooking badge, troop dramatics badge and mammal badge. These will afford exciting meetings and interesting field trips.

Mesdames A. M. Arighi, A. Huston and L. S. Rapport are Mrs. Boyer's assistants.

Rev. Chapman Honored on Centenary

This California centennial year also marks the 100th anniversary of Rev. Harvey Chapman, father of Dwight Chapman, at whose home on Camino Sobrante a birthday tea was given last Sunday afternoon.

About 70 relatives were present to felicitate the "young" old gentleman. Among the guests was his 91-year-old wife.

Rev. Chapman is the oldest living graduate of Bowdoin College and of Yale Divinity School. He is a member of D.K.E. fraternity. When asked what his hobby was,

he replied, "Going to church." He is full of reminiscences of both preaching and school-teaching days, most of them in California. His early home was in Maine.

Girl Scouts Are Busy with Badges, Dolls, Projects

Girl Scout Troop 35 is busily engaged in activities planned to fulfill the varied requirements of the "My Troop" proficiency badge.

The program affords a splendid means of reviewing the basic principles of Scouting; the ideals of democratic living in a friendly, co-operative spirit with fellow scouts, school mates and the community.

Meetings are held in the home of the new leader, Mrs. Louis B. Ambler, Jr., who with the help of her assistant, Mrs. Warren Pollack, is guiding the girls in self management of troop business, as well as in making sets of doll bedding for the Orinda School kindergarten.

Too big to play dolls, the girls delight in helping provide equipment for the little one's game of playing house.

The girls are keen to experiment with the ancient art of basketry and will shortly launch on a program toward winning the "basketry" badge.

Committee members Mrs. A. Reid, and Mrs. K. St. Clair invited the members of Troop 35 to be their guests at a barbecue and sleep-out which took place at Mrs. St. Clair's home last Saturday.

Cubs Going to Berkeley Game

Members of Orinda Cub Pack 52 who are planning to attend the Oregon State-California football game are to meet at the south end of Berkeley Stadium at 1:30 tomorrow afternoon, according to Bob Anthonisen, publicity chairman.

Each den is to go in a group with one adult. Den members wishing more details are asked to call their den mother for further information.

Every cub attending the game must wear his uniform, Anthonisen said.

Fall's Good Time for Tree-Planting

By BERT WRIGHT
FALL PLANTING of trees offers

a number of advantages. Soil temperature is favorable, moisture is usually adequate and there is time for root establishment before hot summer months.

There are some trees, of course, which are best transplanted during early spring, such as the magnolia, tulip-tree, flowering dogwood, hickory and walnut.

WIDTH of the hole for bare-root plants, that is, those planted without a ball of soil around the roots, should be large enough to permit the roots to spread and provide about one foot on either side.

For the balled plants, the hole should be at least two feet wider than the soil ball.

In the case of both types of plants, the hole should be as deep as it was in its former location. Make allowance for proper drainage and settling.

WHEN PLANTING be sure and include plant food. The following table based on the size of the hole will serve as a guide:

1 foot in hole diameter — ½ oz. or 1 heaping teaspoonful.
2 feet in diameter — 2 oz. or 4 heaping teaspoonfuls.

3 feet in diameter — 4 oz. or ½ cup.

4 feet in diameter — 8 oz. or 1 pint.

5 feet in diameter — 1 pound or

1 pint.

6 feet in diameter — 1½ pounds.

PROVIDE about three inches of loose soil in the bottom of the hole and mix one-half of the plant food with this soil. Mix the other half with the soil to be used in filling the hole.

Set in the tree and fill the hole. Leave the top layer of soil slightly concave and water thoroughly.

AMOUNT OF PRUNING necessary on newly planted trees will depend upon a number of factors . . . how well the particular tree responds to transplanting . . . proportion of the roots lost in transplanting, etc.

Generally 30 to 50 percent of the leaf-bearing wood should be removed. Also, get rid of all weak and broken branches and one branch of any weak crotch or fork.

When pruning, try to keep the tree's normal shape. All cuts should be as close as possible to the crotch and parallel to the adjoining branch or trunk. Do not leave stubs or rough wood, and treat all wounds with a good dressing.

Political Analysis, Preview of Bazaar Mark General Guild's Luncheon Meeting

The General Guild's luncheon meeting, held recently, crowded the Orinda Community Church hall to capacity, with a fine attendance from all five sections. After the "Luncheon Is Served" and remarks by its hostess, Mrs. Hess, Mrs. Chellis Gore led the devotions.

Highlight of the program was an explanation by Mrs. Ernest Spiegel of the proposed amendments to the State constitution to be voted on at the November 7 election.

11 MEASURES

Mrs. Spiegel is secretary of the board of the Orinda Association and is a member of the League of Women Voters of Berkeley. Of the 11 measures, she said six were constitutional amendments proposed by the legislature, three were proposed by the public through initiative procedure and two others were in-

itiative measures amended by the legislature.

She explained how No. 1, which is against personal property taxes, would cause the loss in revenue to the state of 51 million dollars.

GAMBLING

Mrs. Spiegel went into propositions 6, 7 and 10 at some length. She told how the proposed legalizing and licensing of gambling (No. 6) was not only opposed by all P.T.A. groups and the churches, but also by civic organizations which realized the benefits of the tax upon gambling would be far outweighed by the increase of costs in welfare care and the increase in police needs, and that during hard times and depressions gambling income to state would decrease while welfare loads would increase.

On No. 7 (proposed addition to the Chiropractic Act), Mrs. Spiegel said it was not endorsed by associations for the blind whom it was supposed to benefit. No. 10, on public housing projects, has a powerful lobby behind it, but was opposed by the governor, and she felt, should be defeated.

Following Mrs. Spiegel's talk, members of the Hand-Crafters and Giftmakers modeled articles to be sold at the Guild's Bazaar November 14. Some of their little daughters and sons helped by modeling pretty and useful felt bags for girls, aprons with pockets for tools for young carpenters, mother and daughter aprons, father and son barbecue aprons, hostess and work aprons, lovely luncheon cloths and mats, napkins and pot holders and dainty baby gifts.

The children who displayed the dressed dolls, unique bean bags and adorable marionettes seemed loath to give them up.

During this bazaar preview, delightful music was played by Mrs. Fred Morrow at the piano, Mrs. Edmund Richard on the cello, and Mr. Richard on the violin. Mrs. H. Harris was in charge of the program.

\$1,000 TO CHURCH FUND
Mrs. Stanley Hunn, president pro tem, presided over the business meeting which followed. Most important action was the unanimously voted contribution of \$1,000 to the church's building fund drive.

Mrs. J. Almond was elected recording secretary to fill out the term of Mrs. J. F. Conley, who resigned because of illness, and Mrs. K. S. Hauter was elected thank offering chairman, to take the place of Mrs. Harper Wright, who is now in Salem, Oregon.

On display at this meeting was a very beautiful hand-crocheted bedspread which, it is hoped, will find a purchaser at the bazaar or before.

FOR SLIPPERY STARTING

You will avoid sliding and skidding if you will use high gear for starting when the car is on a slippery pavement, advises the National Automobile Club. It should be done, of course, only when the car is on the level or the down grade.

Sponsor Contest In Home Planning

With the idea of encouraging the best in building, the General Contractors Association of Contra Costa County, together with the National Association of Home Builders, is sponsoring the third annual "Neighborhood Development Contest."

President Dair A. Tandy of the local contractors' chapter, said national prizes will be given in seven classifications of home building, ranging from small projects of economy houses to rental housing and a complete community development of larger homes. Winning entries, to be selected by a jury of experts, will be displayed at the 1951 convention of the NAHB in Chicago next January.

Among last year's winners in "Economy Homes" for projects over 50 units was Rex Manor, Lafayette, by William Blackfield.

GOP Women Hear Leo Armstrong 10 A.M. Thursday

The Republican Women's Club of Orinda will hold a meeting next Thursday, 10 a.m., at the Orinda Country Club.

Mrs. H. N. Herrick, past president, Berkeley Republican Women's Club, will talk on the proposed amendments and propositions in the coming election.

Leo Armstrong, candidate for assemblyman will speak on his platform and qualifications.

Voters who may be out of town on election day may apply for absentee ballots until November 2 by writing to County Clerk Walter Paasch, Hall of Records, Martinez.

Application must be in writing, signed with the applicant's voting signature and including his registration address and the address to which he wishes the ballot sent.

Blind Musicians Big Diablo Hit

The National Transcribers Society for the Blind, located in Palo Alto, in a successful attempt to have braille books made for the blind, recently brought two of their talented musicians, Jack Crowell and Richard Smith, from Polytechnic High School, Los Angeles, to Mt. Diablo High for an assembly in order to raise funds.

Both of the young men proved to be fine showmen as well as musicians.

Voluntary offerings were requested after the show.

"I make sure the other person has time to answer by counting up all my children."

You'll reach the person you're calling much more often if you give him a full minute to answer. The Pacific Telephone and Telegraph Company.

THIS WEEK let's talk about the weather, but let's also do something about it.

We now have had our first rain of the season and many of us have spotted troublesome leaks here and there. Some of the leaks may be stopped by the simple application of asphalt coating or tar, where others may require new roofing paper, et al. Whichever problem is yours, Diamond K has the material to solve that problem. Come in and talk it over.

NO DOUBT by now you have discovered that the evenings and nights are beginning to get a little chilly. These nights are made to order to sit in the living room in front of the fireplace and enjoy the comfort of our graceful "California living."

Why not have Diamond K deliver a load of seasoned-oak firewood to your house so that you too may enjoy your fireplace?

Our oakwood comes in random lengths of 18 inches, 24 inches, and 4 foot logs. We also have 24 inch pine available at this time.

We also have coal available for those of you who enjoy a good coal fire. And a complete line of fireplace grates made of one-piece, electrically-welded steel.

DON'T FORGET that this weekend is **LAFAYETTE DOLLAR DAYS**. The local merchants sponsor these days for your benefit.

LEGAL NOTICE

NOTICE OF SPECIAL BOND ELECTION TO BE HELD TUESDAY, NOVEMBER 21, 1950 IN ORINDA COUNTY FIRE PROTECTION DISTRICT.

RESOLUTION OF THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY CALLING AND PROVIDING FOR A SPECIAL BOND ELECTION TO BE HELD TUESDAY, NOVEMBER 21, 1950 IN ORINDA COUNTY FIRE PROTECTION DISTRICT; SPECIFYING THE AMOUNT OF BONDS TO BE ISSUED, THE MAXIMUM AMOUNT OF INTEREST TO BE PAID THEREON AND THE NATURE OF THE PROPOSED STRUCTURE OR IMPROVEMENT; PRESCRIBING THE PRECINCTS, FIXING THE POLLING PLACES, AND APPOINTING OFFICERS OF ELECTION; AND PROVIDING FOR NOTICE OF SAID ELECTION.

WHEREAS, on the 7th day of September, 1950, the Board of Commissioners of Orinda County Fire Protection District of Contra Costa County filed with the clerk of the Board of Supervisors of Contra Costa County a certified copy of a resolution of said Board of Commissioners adopted by the unanimous vote of its members, requesting this Board of Supervisors to call a special election within said District upon the issuance of \$130,000 principal amount of bonds for the purpose set forth in said resolution of said Board of Commissioners and in this resolution, viz., construction of two firehouses fully equipped with engines and all other necessary fire fighting facilities; and

WHEREAS, it appears from said resolution that said firehouses and the acquisition of real and personal property are needful for District purposes and reasonably require an immediate expenditure in excess of available funds of said District derived from ordinary taxation,

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Contra Costa, State of California, as follows:

1. It is hereby found and determined that said structures and the acquisition of real and personal property needful for district purposes of Orinda County Fire Protection District reasonably require an immediate expenditure in excess of available funds of said District derived from ordinary taxation and that it is necessary to call and hold an election within said District, upon the question of the issuance of bonds for said District in the name

of Contra Costa County, in which said District is located.

2. A special election upon the question of the issuance of bonds for Orinda County Fire Protection District in the name of Contra Costa County is hereby called and the same shall be held on the date, at the time and place and for the purpose hereinabove prescribed in the form of Notice of Election hereinafter set forth. The amount of the bonds to be issued, the maximum rate of interest to be paid thereon, the nature of the proposed structures or improvement and of the property to be acquired, and the manner of holding and conducting said election shall be as more particularly set forth in said Notice of Election.

3. Notice of said election hereby called shall be in substantially the following form:

NOTICE OF ORINDA COUNTY FIRE PROTECTION DISTRICT BOND ELECTION

NOTICE IS HEREBY GIVEN to the qualified and registered electors residing in Orinda County Fire Protection District, Contra Costa County, State of California, that in accordance with law a special election has been called and the same will be held on

TUESDAY, NOVEMBER 21, 1950 between the hours of 7:00 A.M. and 7:00 P.M. (P.S.T.), during which period and between which hours the polls shall remain open, at which election there will be submitted the question of issuing and selling bonds for said District in the name of Contra Costa County, in the amount and for the object and purpose set forth in the following measure:

MEASURE: Shall Orinda County Fire Protection District incur a bonded indebtedness in the principal amount of \$130,000 for the object and purpose of acquiring, constructing and completing structures, and acquiring real and personal property, needful for district purposes, including 2 firehouses for said District fully equipped with engines and all other necessary fire fighting facilities, equipment and apparatus? The maximum rate of interest on said bonds shall not exceed six (6) per cent. per annum, payable semi-annually (except that interest for the first year may be payable in one installment at the end of such year). Not less than one-thirtieth (1/30th) of the whole amount of said indebtedness shall be payable annually, except that the maturity date of the first bonds maturing

may, in the discretion of this Board of Supervisors, be postponed not more than five (5) years from the date of issuance. The amount of bonds to be issued shall not exceed the amount specified in said measure and the proceeds of sale of said bonds shall be used only for the carrying out of the purpose for which said bonds are to be issued as set forth in said measure.

For the conduct of said Special election Orinda County Fire Protection District is hereby divided into three (3) special election precincts, and the general state and county election precincts into which said District is divided for general state and county election purposes are hereby consolidated as herein-after provided, to wit: the election precincts hereinafter designated by numbers are the election precincts as now established of record by the Board of Supervisors of Contra Costa County, State of California, for general state and county election purposes in said Contra Costa County, and the consolidated special election precincts hereinafter designated by letters consist of one or more of said general election precincts so numbered and designated for general election purposes by said Board of Supervisors of said County.

Scout Fund Drive Starts in High Gear

The combined Boy Scout-Girl Scout drive in Orinda started off this week with many enthusiastic and willing volunteers having one goal in mind—that every resident of Orinda be contacted and told of the importance of their contribution to scouting for the boys and girls in the Diablo Valley Area.

With Orinda divided into "working districts" and a captain appointed for each area, the volunteers have literally been going "up hill and down dale."

EL TOYONAL

Mrs. Norman Coates heads the El Toyonal section. Among her aides are Mesdames George J. Mathey, A. A. Johns, Emil Wickman, V. W. Fuller, Drexel Gibbins, David Coleman, Clarence Davey, Philip Decker, Carr Jones, Richard DeKay, Hayden Courtright, Joseph Navone and Norman F. Bailey.

Mrs. George Fink and Mrs. Ernest Fernsten are captains for the Tara Brook, Moraga Meadows and Rheem's Highland areas and are being assisted by Mesdames Frank Pierce, William Houston, Harvey Minor, H. A. Altdorfer, Clarence Hughes, Clinton Hallsted, William C. Kooreman, T. A. Nichols, Frank Liebold, E. E. Klinkner, H. F. Deering, William N. Harsha, George W. Huldrum, John H. Lawrence, Edward Shuey, Hamilton R. Stevenson, James D. Strong and Raymond H. Wulfert.

MORAGA DEL REY

The Moraga Del Rey and Lost Valley sections are headed by Mrs.

F. E. Ready, and her assistants are Mesdames Ernest Rahmeyer, W. F. Fletcher, H. E. Cannon, L. S. Rapport, J. V. Clark, Elmer Fries and R. S. Wiseman.

Mrs. Bruce Howard, captain for the Orinda Oaks district, has as her aides Mesdames George Merriam, G. A. Richards, Robert Spott, Frank Dutra, John Boyd and Wallace C. Riddell.

COUNTRY CLUB AREA

At a meeting Thursday of last week at the home of Mrs. John Gompertz, the following volunteered to cover the area circling the Country Club—Mesdames Donald L. Richards, J. W. Rupley, Herman Eichmeyer, Fred Borden, James North, Frank Wright, E. Bertrand Pike, Alfred Otto, Jr., Beach Dean and Ritchie Smith. Mrs. Norris H. Wiggins heads this group, aided by Mrs. Harry Noller.

Mrs. C. M. Johnson, captain for

the Charles Hill area, is aided by Mesdames William Tuttle, Milton R. Vail, Edward S. Maloney and R. M. Gilwee.

El Toyonal Has Bus Problem

(Continued from Page 1)
necessity for road improvements, this phone call to be followed by a letter.

"We think the bus should be restored immediately," Loveland declared. "Then argue about the road."

LAST FRIDAY'S RIDE

Loveland said that last Friday he had gone on an inspection bus ride over the road with school authorities and representatives of the Joint Transportation Committee and that, following his ride, he was informed that the service would be dropped.

According to Sheaff, those who went on last Friday's trip were, in addition to Loveland and himself: Dukich, Superintendent Neil M. Parsons of the Acalanes district; John R. Reagan, assistant to Parsons; William Freeman, Acalanes board representative on the Joint Transportation Committee, and C. B. Neuman, Lafayette School Board representative on the joint body.

TWO BAD CURVES

Both Dukich and Sheaff pointed out this week that there are two bad curves on the road, several narrow places obstructed by culverts which come right out onto the road, since grading over them has been knocked off, and some vision-hindering brush which has to be cut.

"The point is that this has been a county road for a long time," Sheaff stated, "and it has not been maintained correctly. The people want the bus service. The immediate problem is that of fixing the road on a sort of temporary basis, so that it can be used."

BUS MISHAPS

Dukich, who does relief driving, said that a bus driven by him almost went into a ditch after hitting a protruding culvert and that on the first day of school a rear wheel of a bus had become stuck in a soft "shoulder."

The problem was discussed at a meeting of the Joint Transportation Committee at Acalanes High School Wednesday night of last week, and it was recommended by the committee that, if inspection warranted such action, the bus be discontinued. Last Friday's tour, Monday's notice sent out by Sheaff and the cessation of service, starting Tuesday, followed.

Lieut.-Colonel, Marine Sergeant On New Duties

Two Orinda men—an Army lieutenant-colonel and a Marine Corps sergeant—had new military assignments this week, and a Navy lieutenant from Lafayette was the proud possessor of "Wings of Gold."

LT.-COL. CARLSON

Lt.-Col. Vincent P. Carlson of 115 Van Ripper Lane, Orinda, has been named chief of plans and operations, office of assistant chief of staff, G-3 (plans and training), for the Japan Logistical Command, with headquarters in Yokohama.

Commanded by Maj. Gen. Walter L. Weible, the Japan Logistical Command has for its primary mission the logistical support of the troops in Korea as well as support of the occupation forces in Japan.

Prior to his present assignment, Colonel Carlson performed similar duties with Headquarters, Eighth Army, in Japan. Colonel Carlson arrived in the Far East Command in August, 1948, and was first assigned to command the Eighth Army Engineer School.

His wife, Mrs. Roberta W. Carlson, and their six-year-old daughter, Patricia, are now with Colonel Carlson in Yokohama.

Colonel Carlson holds a master of science degree in civil engineering from Harvard University.

LT. PATRICK WORKING

Lieut. (jg) Patrick L. Working, son of Mr. and Mrs. J. D. Working of 4986 Peardale Road, Lafayette, recently received his "wings of gold" at the Pensacola, Fla., Naval Air Station.

EDWARD GARDNER

Marine Staff Sergeant Edward I. Gardner of 5 Southwood Drive, Orinda, has recently been ordered to active duty and assigned to recruiting duty at San Francisco.

Sergeant Gardner is a combat veteran of World War II, serving as an aerial gunner on Guadalcanal, where he was credited with shooting down two Jap Zeros.

Upon his return from Guadalcanal he was assigned to the Public Information Section of the Marines and served as combat correspondent through the Marianas campaign.

'Our Boys'-New Feature in SUN

Recently the SUN started a special column entitled "Our Boys" at the suggestion of Mrs. Inez Long, past president of the Auxiliary of American Legion Post 517 and recently appointed state rehabilitation chairman for the Auxiliary.

Purpose of this column is to print news about our local boys in the service. Please send in news about our boys in the service to the SUN.

This Job Seems Very Appealing!

Sun classified ads offer a wealth of services to their readers.

But we have to confess that in one particular case we are overshadowed, but good, by a classified appearing in a Walnut Creek paper last week as follows:

"WANTED — Man to wash dishes and 2 waitresses. Write box 44." Gentlemen, the line forms at the right!

Gas Firm Crews At New Station

G. H. Conner, Walnut Creek district manager of Coast Counties Gas and Electric Company, announces that the company's construction crews for the Walnut Creek-Lafayette area are now stationed at their new headquarters near Walnut Creek.

The new headquarters, located on the corner of Boulevard Way and Flora Street in Saranap, is centralized to efficiently serve the communities of Walnut Creek, Alamo, Danville, Diablo, Saranap, Lafayette, Moraga and Orinda.

years, Sergeant Gardner recently wed Dorothy Mae Stoughton of San Leandro. The couple plan to make their home in Orinda for as long as the sergeant's duty assignment will permit.

Kids Set for Hallowe'en Hobgoblins

Ghostly scenes in keeping with Hallowe'en will soon blossom out on the windows of many Orinda stores in the annual project carried out by the youngsters of Orinda schools in conjunction with Orinda merchants and Orinda Lions Club.

School children who have worked on the prize-winning pictures in a school-conducted contest will be chosen to assist in transferring the scenes to shop windows in water-soluble paints.

HALLOWEEN SHOW

Orinda Lions Club, as in past years, through the cooperation of Ben Randall of Orinda Theater, will have a giant Hallowe'en party at 7 p.m., October 31, when all youngsters in Orinda are invited to don costumes and attend the special show at the theater. Besides the movies, "Wyoming Mail" and "Happy Years," cartoons and short subjects will be shown.

HEADS ARRANGEMENTS

Lion Bob Frolich is chairman of arrangements for the Lions Club festivities program for Orinda youngsters. Those assisting him will be: Don Bradley, George Hartzell, Jr., Carl Miller, Jack Cooper, Lloyd Ferrar, Joe Navone and Rudy Rasmussen, who will be master-of-ceremonies at the theater party.

Final plans were to be arranged at the Lions Club executive board meeting scheduled to be held last night, according to Frolich.

Moraga Meadows Meets for Vote

Moraga Meadows Association was scheduled to meet at Orinda School last night as the Sun was going to press, with a full agenda to include election of new officers, annual committee reports and a summary of the year's activities.

Residents of the Moraga Meadows and Tara Brook sectors were invited to attend the session, which was to be concluded with serving of refreshments, according to Dr. Herbert Wise, president.

Cub Pack 52's Track-Field Day On October 28th

Orinda Cub Pack 52 will hold its first annual track and field day Saturday, October 28, 9 a.m. at the Glorietta School.

The field events, managed by two former track stars, Bill Ellermyer and Alex Morris, will consist of five major events, with individual awards going to first, second and third places and a grand prize given to the den having the greatest number of points. The five events are:

(1) Running—dashes, etc.; (2) den relay race; (3) football kicking contest; (4) baseball throwing contest; (5) surprise event (to be announced at the field).

ASK DADS BE THERE

It is stressed that all fathers should be present to assist. There will be a special attendance award given, based on fathers present.

A bulletin and entry blank is to be given to all Pack 52 members at school next Monday. There will be a 50 cent entry fee, and this should be turned in together with the entry blank to the den mother at the next den meeting.

LUNCH

Each cub should bring his and his father's lunch—the pack will furnish liquid refreshments. Lunch should be over by 12:30 p.m.

Other members of the organizing committee are Ed Shuey, Joe De Maria and Bob Anthonisen and General Chairman Bill Houston.

Moraga Valley's Dance Tomorrow

Tomorrow night's the night for the public dance sponsored by the Moraga Valley Community Club, at Moraga School. The "light fantastic" will be tipped from 9 p.m. to 1 a.m.
